<b>Notes:</b>	The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 29.05.2017 respectively.					
<b>1</b>						
<b>2</b>	The Financial statements as on 31.03.2017 are prepared in compliance with the Indian Accounting Standard (Ind As ) which are adopted for the first time by the Company with transition date as 01.04.2015.					

3	The accumulated losses of the company had exceeded its net worth again during 2011-12. The erstwhile BIFR has already approved a Sanctioned Scheme for the Company during 2010-11 and the Company is under re-habilitation period and is being monitored by it through the Monitoring Agency. Lack of executable orders and dull phase of Optical Fiber Cable (OFC) market from 2010-11 onwards is the main reason for such performance since then. The requirement of OFC in the country is huge; however, the delay is due to various procedural issues in execution of big projects by Govt. clients. As such the company is hopeful of improving its order book position. Considering this and anticipating financial support from its Holding Company TCL, Govt of India's Department of Telecommunications etc, the accounts have been prepared on "Going Concern basis" for the present.	
4	The Financial Statements are prepared to comply in all material aspects Ind AS as prescribed under Section 133 of the Companies Act,2013 read with relevant rules of the Companies (IND AS) Rules w.e.f 01.04.2016	
5	Exceptional items include an amount of Rs 45.47 lacs being short admittance/ short-receipt of fire insurance claim amount	
6	Deferred tax: During the year the Company has not accounted / taken the credit / charge for the deferred tax assets / liabilities. The excess of timing difference over the deferred tax liability has been ignored for want of reasonable certainty of the company making taxable income in the near future. Similarly, for the same reason, certain other provisions made in the earlier years have been ignored for creation of deferred tax asset. The accumulated losses and carried forward depreciation under the tax laws have been ignored for creating the deferred tax asset considering that there is no reasonable certainty of the company making taxable income in the future .	
7	No provision is made for one long pending debtor Rs. 3.40 crores, in view of the arbitration proceeding completed against the Purchaser for which Award is received in favour of the Company but has since been challenged by the Purchaser in the Court. The Court has remitted back to the Arbitrator for speaking orders which has also been awarded in favour of the Company. The Purchaser has again appealed in the Court.	
8	No provision is made for Rs.0.13 crores, due from RailTel which was under Arbitration. In the Arbitration award, six claims were in favour of the Company and one against the Company. Company has appealed against the award in Delhi High court and the proceedings are in progress.	
9	The Company has elected to consider the carrying value for it property ,Plant & equipments as their deemed Cost.	
10	Depreciation has been provided as per the requirement of Part C of Schedule II to the Companies Act, 2013.	
11	The figures of the quarter ended 31st March 2017 and 31st march 2016 are the balancing figures between audited figures in respect of the full financial year and published unaudited year to date figures upto the third quarter of the respective financial year .Also the figures up to the end of the third quarter were only reviewed and not subject to audit.	
12	Previous period's amounts are regrouped and rearranged to conform to the current period's classification.	
13	The financial statements for the year ended 31st March 2017 are subject to supplementary audit by the Comptroller and Auditor General of India u/s 143 (6)(a) of the Companies Act,2013.
